

MIME SKETCH

Last term you were all brilliant performing various sketches....The bus stop.....The Drs Surgery.

We need a new funny short sketch.....write down some ideas.

Title for the sketch?.....

Where will the sketch take place?.....

Who will be in the sketch?.....

Will props be required?.....

If props are required will they need to be made?.....

Finally a good sketch always ends on a funny note.....what will your ending be? For the Drs Surgery we had the whoopee cushion and the Bus Stop we had Gabby delivering the funny punchline. Let's get creative.
