Boris spent the most money.....£15.90

Dom spent the least money.....£6.65

Matthew spent most on milk.....3x £1.10 = £3.30

4 pack of beans costs.....£2.40

4 single cans of beans cost.....4x 65p = 260p or £2.60

so a 4 pack is cheaper at £2.40 than 4 single cans of beans at £2.60

Cheaper by £2.60— £2.40 = £0.20 or 20p
